

## Trek Part

Trek Parts - TREK Cleaning Machines is a machine maker who is passionate about the cleaning industry. The company's founders, Jim Hartsock, Chris Knowlton and Bob O'Hara, have more than sixty years combined experience with effectively marketing, manufacturing, designing, developing and providing customer support. The company's cutting edge flair is a reflection of the entrepreneurial style of the founders. They truly believe in delivering true value to their clients and are devoted to providing new design concepts and top quality in order to meet the diverse requirements of their clients.

TREK Cleaning Machines continually provides fresh design concepts as shown in their product development. They enjoy offering items which energize both their dealers and their partners and provide production gains to their clients.

The team at TREK enjoys tackling new tasks and challenges. They are proud to introduce their new Torsion scrubber line and all of its breakthrough technology. This line was motivated by the comprehension of operators' skills and needs combined with their comprehension of cleaning applications, together with owners' strong desire to considerably lessen expense through productivity gains.

When needed, the employees within TREK and its several dealer members in both parts and in technical support will be obtainable. Among their core values is their high service devotion in their customer service. Keeping their clients' cleaning machinery ready and working day after day is top priority. The company's top of the line technology delivers reliable machine that eventually reduces your cost of cleaning. The product, the price and the service all work together in order to make them an industry leader.
