

Electrical Parts for Forklifts

Forklift Electrical Parts - Forklifts could be specifically marked to be used in hazardous places. A labeled lift truck indicates the design has met the lowest standards of ANSI/UL 558 utilized for engine powered lift trucks or ANSI/UL 583 for electric lift trucks for the type of label put.

The application for labels for lift lift trucks may be found in National Fire Protection Association NFPA 505 - Powered Industrial lift trucks including: Maintenance and Operation, Type Designations, and Areas of Use. Consult your local insurance carrier and Fire Marshall for more info on the permitted uses of industrial powered trucks in your application.

If the lift truck has been proven to satisfy the outlined standards, the following labels could be put. A labeled truck would have the type description put on the lift truck nameplate and would have one of the following labels attached.
