

## **Lull Telehandler Parts**

Lull Telehandler Parts - Lull telehandlers have been providing precision load placement ever since 1959. Whether the work involves landing loads on scaffoldings, transferring loads or positioning heavy steel, utilizing a Lull telehandler would really help make the job go faster and easier. These units are complete together with the patented Stabil-Trak stability system to ensure operator confidence.

The horizontal placement system by Lull is able to provide 80 inches of boom travel for precision placement functionality. There are likewise various optional Lull accessories for their telehandlers in order to help do whatever task.
